The point for consideration and orders is whether the confirmt of Mr. Venkoba Rao is to be given effect to from 1st Jany '11 - the date on which he assumed Charge of the Hd Stores or from the date of expiry of the probationary period ie 1.1.1912.

2. In the absence of a special Covenant, increment should count from the date of Confirmation which ever follows after giving satisfaction as a Probationer. In this view, Mr S. Venkoba Rao will be entitled to first increment with effect from 1st January 1913.

3. I understand that in the Educational Deptt, probn periods count towards increment.

in two ways:

(i) by way of undergoing training to fit himself to the post to which he is appointed.

(ii) though he is fully qualified for the post, yet he is on probation so that Govt may send him away if he does not suit them.

5— In the former case, the prob'y period cannot count towards increments and in the latter, the period can count if the Service is approved.

6. In the present case, Mr Venkoba Rao was appointed on probation for one year from the Senior Surgeons D. O. dt: 29-7-10 it is apparent that Mr V. Rao was duly qualified for the post of the Supt Medical Stores. So it appears that his case falls under (ii) above and he can count the prob'y period of one year towards increment.

7. ~~Should~~ Speaking a period of probation is prescribed that the capacity or fitness of the person does not at that period ~~is~~ become away. ~~Hence~~ a new increment can only be earned from the date of confirmation
